FELICITATED TO NEWLY ELECTED PRESIDENT OF HOCKEY INDIA
SHRI GYANENDRO NIGOMBAM

HOCKEY ARUNACHAL PRESIDENT ATTENDED TO 2020 ELECTION OF HOCKEY INDIA

INTRODUCTION

The first Hockey club in India came up in Calcutta in 1885-86 and soon Bombay and Punjab followed suit. Making its Olympic debut at the 1928 Amsterdam Games, Indian Hockey team cruised home to its first Olympic gold, without conceding a single goal. The hallmark of this ruthless domination was the wizardry of Indian Hockey legend - Dhyan Chand. From 1928 to 1956, the Indian Hockey juggernaut won six straight Olympic gold medals, while winning 24 consecutive matches. During this time, India scored 178 goals conceding only 7 in the process.

This was the golden era of Indian Hockey, when India loomed large in world Hockey and produced some of the finest players the game has ever seen. During this dominance, one name that clearly comes to mind is Balbir Singh. For almost three decades, Indian team had about five players with the same name. The first Balbir Singh played with the great Indian teams of 1948, 1952 and 1956. He reached the pinnacle of success at Helsinki in 1952 when he scored five goals in a 6-1 gold medal victory over the Netherlands. The four later Balbir Singhs played with the later Indian champions.

The Indian stranglehold over the Olympic Hockey gold came to an end, when Pakistan defeated India in the final of the 1960 Rome Olympics. However, the record created by India is likely to stand strong through ages, as no other country has ever managed to come close to it, leave about beating it. Talking about some of the legendary and outstanding players of Indian Hockey, Dhyan Chand, K.D. Singh, Dhanraj Pillay and Dilip Tirkey are some names that come to mind instantly.

ESTABLISHMENT

The organization Hockey Arunachal was founded by Shri Gumjum Haider, former Secretary General of All Arunachal Pradesh Students' Union (AAPSU) and North East Students' Organization (NESO) who is now the Founder-Cum-President of Hockey Arunachal. Witnessing the fact that Arunachal youths are sports enthusiasts, many sports organizations have been formed in recent years like Cricket, Football, Body Building, Carrom, Judo, Karate, Swimming, Archery, Arm, Kabaddi, Kho-Kho, Powerlifting, Volleyball, Basketball and many more but not for Hockey.

Arunachal Hockey (HA) was established in the year 2010 and has been registered under THE SOCIETIES REGISTRATION ACT, 1860 [AS MODIFIED BY THE SOCIETIES REGISTRATION (EXTENSION TO ARUNACHAL PRADESH) ACT, 1978] on 9th August, 2019.

The organization intends to promote peace and harmony in our state and also to make Arunachal Pradesh a physically fit state through Hockey. Founder-Cum-President Shri Gumjum Haider has been only trying to spread awareness in past few years as there was no proper facility nor equipment for Hockey in Arunachal Pradesh until the turf ground for Hockey was inaugurated at Sangay Lhaden Sports Academy at Chimpu. Furthermore, not many sportsmen are aware of Hockey even though it is our national game. Under the great leadership of Shri Gumjum Haider and his executive bodies are well aware of the difficulties they are facing in the process of bringing Hockey in action into our state. Every district executive member has been giving their best to let know that not only football or karate or badminton has a bright future but also Hockey can make their future bright.

THE MOTTO OF HOCKEY ARUNACHAL

The organization Hockey Arunachal has a motto

"To promote Hockey in Arunachal Pradesh"

OBJECTIVES

Following are the objectives of Hockey Arunachal:

- Giving opportunities to sportsmen
- Generating more sportsmen
- Giving awareness about the game Hockey
- To maintain physical and mental fitness

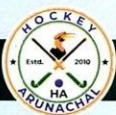

HOCKEY IN ARUNACHAL PRADESH

Arunachal Pradesh has generated many sportsmen be it in the field of football, badminton, karate, judo, archery, weightlifting, power lifting etc but the state has been facing problem in producing good players in Hockey. One of the most played and loved game in our state is football and the state has given many skilled football players to represent our state in national and international level as well. Every game is played if the required facilities are provided. In case of Hockey, our state didn't have any ground where it could be practiced by the sports fan. Fortunately in recent years DCM Shri Chowna Mein inaugurated the state's first artificial (synthetic) Hockey turf at Sangay Lhaden Sports Academy (SLSA) in Chimpu Itanagar, district papumpare, Arunachal Pradesh.

It was constructed by the engineering wing of the department of sports with an estimated cost of 500 lakhs. The world class Hockey ground is the first project of its kind in the state, funded under the 'khelo India Scheme', a flagship program of the Ministry of Youth Affairs and Sports, Government of India. The deputy director of sports (technical) has briefed that the world-class Hockey turf was imported from the USA and international size and standard of the ground were maintained so that national and international games can be conducted on this ground.

Since the required equipment and facility to play Hockey are available, it is our responsibility to promote and let it be utilized properly. Unlike many sports event which has organized many tournaments in past years, the state has never seen or witnessed Hockey tournament though we have turf ground for Hockey. Hockey has never been played and that's the reason only few people are aware of the presence of the Hockey ground at Chimpu. The state is losing many sportsmen who could be a potential Hockey player, who could make our state proud. Conducting of Hockey tournament has become very important to give opportunities to those like-minded youths to showcase their talent and also to remain mentally and physically fit.

IMPORTANCE OF HOCKEY IN NATIONAL AND INTERNATIONAL LEVEL

Hockey India is now the governing body with exclusive mandate to direct and conduct all activities for both men and women's Hockey in India. It is recognized by the Ministry of Youth Affairs & Sports, Govt. of India as the sole body responsible towards promoting Hockey in India. It was formed after Indian Hockey Federation was dismissed in 2008 by IOA.

Headquartered in New Delhi, Hockey India was established on 20th May 2009 and is affiliated to the International Hockey Federation (FIH), the Indian Olympic Association (IOA) and Asian Hockey Federation (AHF). The first Indian Hockey president was Mr. Jaideep Yadav.

Committed to the development of Hockey in the country, Hockey India with the assistance of Sports Authority of India and Department of Sports, Government of India, trains players at sub-junior, junior and senior level. The governing body engages in Coaching the coaches with International Standard certification programs, educates and equips technical officials and umpires to find a foothold in international arena, provides world-class infrastructure and International exposure for the players besides regular international competition. Hockey India has also pioneered in bringing top International Hockey events to India such as the FIH Men's World Cup in 2010 and 2018, FIH Champions Trophy in 2014, FIH Junior Men's World Cup in 2016, FIH Hockey World League Final in 2017. With its vision to popularize the game and constantly promote it, Hockey India is dedicated to getting our national team (both men and women) into the top three in the world.

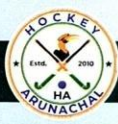

HOCKEY INDIA NATIONAL CHAMPIONSHIPS

With able support from the Member Units, Hockey India conducts an array of domestic events across multiple venues. The domestic events continue to remain significant in the calendar of events as the future stars are recognized and selected to be further groomed at the National Camps. While talented youngsters use this platform to showcase their abilities to national selectors, those who have been dropped from the national program use these platforms to prove just why they need to be in the reckoning again. The events spanning across different age-groups and divisions see fierce competition and healthy rivalry that is equally enjoyable for the spectators at these cities to witness.

These National Championships are divided into two divisions (A Division & B Division) each for all the competitions to ensure that the participating teams are competing in a fair, equal environment, and against teams with similar level of Hockey.

Below is the list of National Championships that Hockey India conducts every season:

- Hockey India Senior Men National Championship
- Hockey India Senior Women National Championship
- Hockey India Junior Men National Championship
- Hockey India Junior Women National Championship
- Hockey India Sub-Junior Men National Championship
- Hockey India Sub-Junior Women National Championship
- Hockey India 5-a-side National Championship (Women)
- Hockey India 5-a-side National Championship (Men)
- Hockey India 5-a-side National Championship (Mixed)

AN APPEAL

It is understood that the Arunachal Pradesh has got potential to become vibrant sports centre in Northeast provided they are given right opportunity and sporting facilities according to the needs of enthusiastic sporting aspirants. We need to nurture the young talents in a scientific manner in accordance with modern day sporting requirements. Sadly, we are not able to let our sportsman participate in most of the sports events due to lack of facility and platforms. It is unfortunate to know that there are some youths in our society who could not afford their education and has to leave their further studies. Many wants to opt for sports as sport is a good option to make their career but unfortunately our state is lacking in providing proper facilities. In such scenario our organization, the Hockey Arunachal is working on to reaching out to those youths and give them opportunities. However, we are also facing problems in this process, be it official or non official. It is our prayer to the Honorable Chief Minister and also to the Minister of Youth Affairs and Sports to kindly observe into this matter and help our organization to reach out to such unprivileged youths and give them encouragement by providing them a chance to showcase their talent. Hockey Arunachal has a great ambition to promote the sport of Hockey in our state and generate such players who could represent Arunachal in National Hockey Championship/ Tournament and also in International platform as well.

Our organization intends not only to give opportunities and promote hockey but also to make our state proud. There have been several challenges in promoting hockey but the major issue is always financial support. Man power was a part of challenges but not anymore because human resource has been managed well throughout these past several years. Now the problem is to run the organization without official and financial support. If we get these two mentioned supports from our government then we assure everyone that we will produce worl class Hockey Heroes from Arunachal Pradesh as well. In our present Hockey camp which is going around in Sangey Lhaden Sports complex we could see many potential future Heroes. We are determined to conduct State level Hockey Tournament in our state in memory of Late Pasang Wangchuk Sona. Our national game hockey will also be played in our state, If they support us then national hockey tournament will also be organized in our state itself as we have a world-class Hockey ground at Chimpu Itanagar, Arunachal Pradesh.

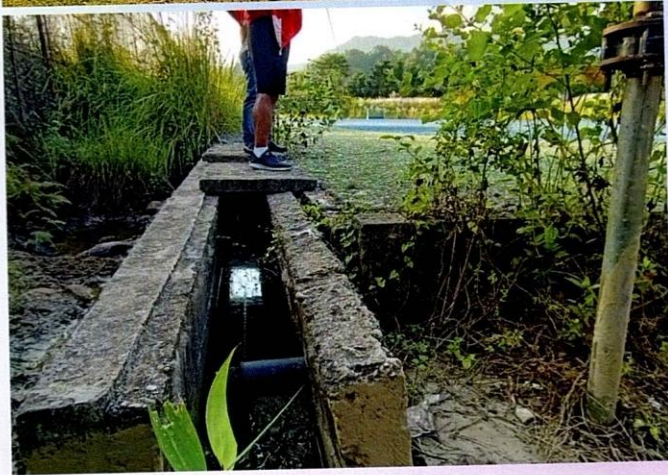

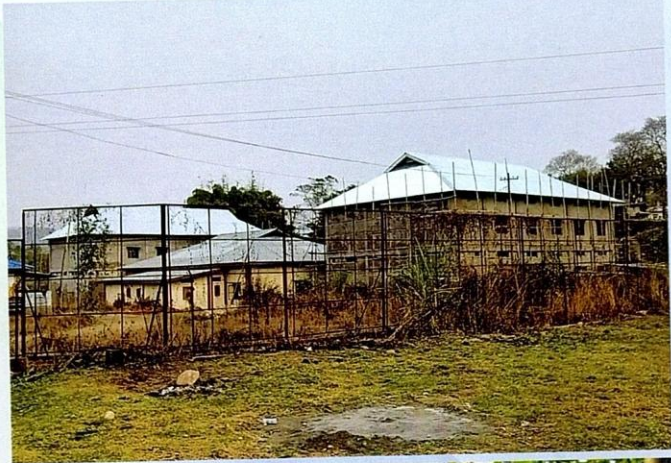

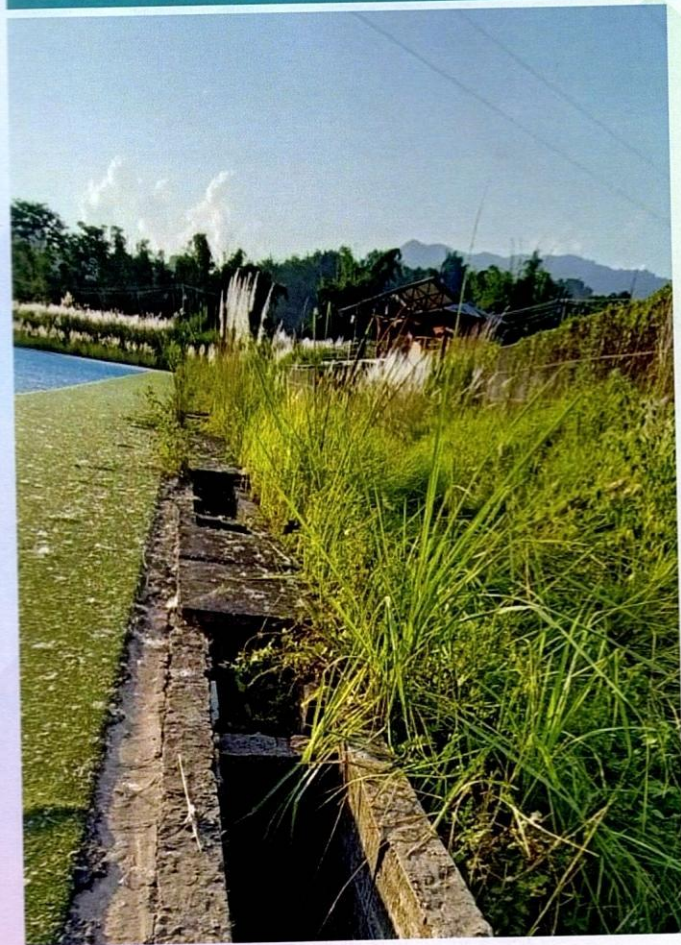

Regards

Team Hockey Arunachal
